

43rd ALL INDIA ACCOUNTING CONFERENCE & INTERNATIONAL SEMINAR ON ACCOUNTING EDUCATION & RESEARCH

INVITATION

Department of Commerce, Osmania University and Indian Accounting Association Hyderabad Chapter consider it a privilege and matter of great pride to host the 43rd All India Accounting Conference and International Seminar on Accounting Education and Research on -- and -- 2021. (The conference dates will be announced later due to COVID-19 Pandemic situation). (Coinciding the Platinum Jubilee Celebrations of the Department of Commerce, Osmania University and Diamond Jubilee Celebrations of Indian Accounting Association). The conference aims to provide a forum for interaction on contemporary issues and developments in accounting, taxation, finance and allied areas. It would create an interface among professionals, academicians and experts in the field of accounting education and research in India and abroad. Academicians, Scholars, Practitioners, Executives and Students are invited to participate in the conference by contributing research papers and enrich the deliberations while having an opportunity to interact with eminent scholars, researchers, practitioners and distinguished speakers from India and abroad.

INDIAN ACCOUNTING ASSOCIATION

The Indian accounting association is an interface between academicians, professional and practitioners from various universities, business, industry and government. The main function of IAA is to promote and disseminate the knowledge of accounting and the related subjects in India and abroad. Further, it aims to undertake and encourage research in the field of accounting. Ever since its inception, the IAA has served as an important forum for raising the status of accounting both as a discipline and as an important tool for managerial decision making.

The association was founded by academicians and professionals in accounting on March 17, 1969, and was inaugurated on February 14, 1970 by the Accountant General of Uttar Pradesh. It has been working for the last 50 years for its significant contribution to the development of accounting education and research in India. It is a member organization of International Association of Accounting Education and Research (IAAER). It is also held in high esteem by American Accounting Association (AAA). At present, IAA has a network of 54 branches in India with more than 6,400 life members and a Research Foundation as an affiliate at Kolkata. It also brings out a biannual research journal 'Indian Journal of Accounting' in the months of June & December to give wider publicity to research findings. The Association also gives IAA Young Research Award and IAA fellowship. The association has been conducting National Accounting Talent Search Examination since 2009. The Association offers Life Membership and Annual Membership for Individuals and Institutions through its chapters across India.

INDIAN ACCOUNTING ASSOCIATION HYDERABAD BRANCH

Indian Accounting Association Hyderabad Branch was established in 2003. It has 178 life members and actively involved in organizing conferences and seminars on various accounting related themes for the last fifteen years. In 2005, All India Accounting Conference was successfully conducted by IAA Hyderabad Branch in collaboration with the Department of Commerce, Osmania University. It has been helping in conducting National Accounting Talent Search Examination for the students appearing in Hyderabad Centre for the last ten years.

OSMANIA UNIVERSITY

Osmania University, established in 1918, is the seventh oldest in India, the third oldest in south India and the first to be established in the erstwhile princely state of Hyderabad. It has emerged as one of the premier institutions of higher learning in the country. It was conferred with the coveted status of 'University with Potential for Excellence' in the year 2012. It epitomizes the national agenda on higher education for access, equity and quality through expansion, inclusiveness and excellence.

The University was declared as an autonomous institution through an act of legislature, and recognized by the University Grants Commission Act, 1956, Government of India. It continues to maintain its position among top ten Universities in the National Ranking and has been catering to the needs of the community in the region for last ten decades and has grown into one of the major universities of India. It has a vast sprawling verdant campus of 1632 acres set in picturesque and idyllic surroundings, where diversity is valued and accepted. It owns number of buildings of great architectural elegance and variety to enhance the beauty of the campus.

It has significantly contributed to the academic and economic development of not only the region but also of the Country. Its alumni have distinguished themselves nationally and internationally in various spheres of life and are spread far and wide around the world.

The University has a vision of developing, enhancing, and improving the quality of human resources to meet the challenges of regional, national and global socio-economic changes. Its mission is to achieve excellence in teaching and research and to create opportunities for the students to contribute to the national and regional development.

Osmania University is re-accredited by the National Assessment and Accreditation Council (NAAC) with 'A+' Grade in the year 2017.

DEPARTMENT OF COMMERCE

The Department of Commerce, Osmania University, one of the oldest and largest departments in the country, has been serving for the last 75 years for its noble contribution to the commerce education and literature and unstinted service to the student community. The department came into existence as an independent wing of the Osmania University with the launching of B.Com. course in 1945. The department has been offering several streams of commerce courses at both undergraduate and post graduate levels catering to about 1,20,000 undergraduate students and to about 1,500 post graduate students in about 440 undergraduate colleges and about 40 post graduate colleges spread over Hyderabad, Ranga Reddy and Medak in Telangana State.

The department offers Master's Programme in Commerce - M.Com with different specializations in the University Campus and three constituent colleges viz., Nizam College, University College for Women and University P.G. College Secunderabad. The department also offers M.Com (IS) and PG Diploma in Taxation in the campus. The department is rich by its robust faculty, some of whom are the Best Teacher Awardees by the State Government and other reputed national and international organizations.

The department runs a quarterly journal "Osmania Journal of International Business Studies" which has very large readership all over the world. The department has been on the map of SAP, DRS (third stage) of UGC, New Delhi. The department is proud of Dr. Y. Venugopal Reddy who took/awarded is Doctorate Degree from the Department of Commerce, who was the Governor of RBI, India.

TELANGANA STATE

Telangana, as a geographical and political entity was born on June 2, 2014 as the 29th and the youngest state in Union of India. However, as an economic, social, cultural and historical entity it has a glorious history of at least two thousand five hundred years or more. Starting with vedic period when it was known as 'Trilinga Desa' from which 'Telangana' is derived. It is the 12th largest state and the 12th most populated state in India. Hyderabad is capital of the newly formed Telangana State. Hyderabad was founded in 1591 which with time rose to become one of the best cities of the world in those days. After numerous attempts, the Mughal Empire could take over the Golkonda Kingdom leading to the establishment of the Asafjahi Rule in 1724 that lasted until 1948. It was during the reign of the seventh Nizam, His Exalted Highness Mir Osman Ali Khan claimed to be the world's richest man and during his time, the State of Hyderabad has reached its zenith. Among many such visionary actions was the establishment of Osmania University in 1918.

HYDERABAD CITY

Hyderabad was established in 1591. Hyderabad is the sixth largest city in India. Hyderabad is the capital of the newly formed Telangana State and is world renowned for its unique Ganga-Jumuna tehzeeb, rich culture and tradition. It is amalgamation of both traditional and contemporary cultures with an unparalleled diaspora. The temperature in Hyderabad in January/February is very pleasant and it is this time which people can enchant the city tour and its ambiance. Along with twin city, Secunderabad, and the fast developing high-tech suburban, known as Cyberabad, Hyderabad is spread over an area of 650 sq., km., boasts numerous attractions for the people of all ages.
